Dated 1st August 1893 deferring
sanction for the levy of license fees
from persons holding shops in the
weekly market at Chikballapur
till the introduction of the Municipal
Regulation now under consideration.

With reference to the above,
has the honor to state that the
market was constructed at a large
outlay of Rupees 2442-11-7 out of
Municipal funds and the people
who utilize the same should be
justly required to pay for it.

It is not an open space market but one enclosed on all sides with a substantial wall with stalls inside. The Municipality has already realized a sum of Rupees 13676-5 under this head up to date ever since the market was constructed, but through an oversight Government sanction does not appear to have been obtained for the levy of fees. It would appear that the right to collect fees according to the prescribed rates has been given out on contract for Rupees 600 for 1893-74. If sanction is withheld, there will be a loss of Rupees 600 to the Municipality every year--

2. Under these circumstances the undersigned begs that the question may be reconsidered and sanction accorded.

P. M. S. Rao
